

THE STAMPEDE NEWSLETTER

**DARE 2 DANCE
PRODUCTIONS**

January 17, 2010

Howdy Folks,

Well folks, it has been awhile since I had a newsletter online, but with 2010 becoming a very busy year, I want to try to keep everyone informed with dancing all over Central Pennsylvania.

I am currently teaching and playing music at The Country Barn in Lancaster, PA every Friday night and it is really cool to see such a wide variety of ages out on the dance floor having a good time. I look forward to seeing each and every one of you out on the dance floor sometime soon and remember to keep your dancing fun and enjoy the time on the dance floor. Enjoy each other's company.

We have a lot of changes this year so keep checking back to our website for updates and upcoming events. I will be adding a "Where 2 Dance" page on my website, so if you would like to have your dances and lessons posted, please drop me an e-mail. Do you have an upcoming workshop or event and want it advertised? Drop us a line at cwdance@localnet.com.

Some cool dances that I have taught throughout this past week: "Bad Influence"; "Louisiana Swing"; "Evacuate The Dancefloor"; "Fiona"; "Cranky" and "Pii Pii".

During this busy 2010 year, I hope that we can keep you updated on where to dance and when. See you all out on the dance floor.

Beginner's Classes Now Forming

Have you always wanted to learn how to dance? Don't have a dance partner? Two left feet? Well, now is the time to make your New Year's resolution a reality. It is time to get up and do something and make some great new friends. Line dancing is something that is fun for the entire family.

Dare 2 Dance Productions is pleased to introduce you to line dancing. Starting in February, we will be holding 3 separate classes to get you up and dancing. You are invited to join line dancers from the Harrisburg area in learning the basics of line dancing. We will be conducting an introduction to line dance class for an eight week course to be held in Harrisburg, Marysville and Palmyra. The cost is just \$40.00 per person and will be held on the following nights and dates.

Sunday nights – 5:00 – 6:30 pm
West Hanover Fire Company – Harrisburg, PA
February 21st – March 28th

Monday nights – 6:00 – 7:30 pm
Palm Lutheran – Palmyra, PA
February 1st – March 29th

Tuesday nights – 6:00 – 7:30 pm
Marysville Moose – Marysville, PA

February 9th – March 30th

Pre-registration is required for this special class geared to getting you out on the dance floor. No experience is necessary and two left feet are welcome!

Line Dancing isn't just country-western any more! It's modern, urban sophistication, swing syncopations, flowing waltz and nightclub rhythms, hip hop and dances with a Latin flavor. We are still dancing in lines — but are enjoying a large variety of music. Line dancing originated in country-western bars, but it isn't just fancy footwork to country-western tunes any more. Line dancing has evolved to offer everyone fun and enjoyment and will keep you coming back for more. Line dancing is enjoyed internationally -- England, for example, boasts one million regular line dancers.

It's fun, great exercise and it will free the dancer in you! No partners needed and is perfect for singles! Fun for all ages! Smoke free! Learn new and traditional line dances in a comfortable, welcoming, fun-filled class! Beginners welcome! Teens and seniors welcome! Two left feet welcome!

Since you dance on your own, line dancing is ideal for singles and for partners of non-dancers. It's also wonderful for people who want a social activity that doesn't involve dating or partnering or going to a bar to enjoy!

Line dancing burns 200 to 375 calories an hour! So, it's great exercise and enjoyed by hundreds of dancers all across the globe.

Come on out and have fun....we'll save a spot on the dance floor just for you! For more information on the classes, please feel free to e-mail me at cwdance@localnet.com or visit my website at www.dare2dance.net or give me a call at (717) 319-5514. Remember, we're waiting for you. See you soon.

Hand 4 A Leg Benefit

Join us on Sunday, February 7th for an all day fundraising event. There will be several dance instructors teaching dances throughout the day with plenty of open dancing. From beginners to the more advanced dancers, here is our chance to make a difference in one family's life. For a donation of \$50.00 per person, you can spend the entire day learning new dances and helping raise money necessary for Ruick Rolland for a new prosthesis. Being self employed, father of two and the fact that the prosthesis needs to be replaced every couple of years, Ruick is looking at over \$2,000,000 needed for the prosthesis.

Here's where you come in. By donating you can help him on the road to recovery and getting back to work. More information for this event will be posted as it becomes available, but for now, please visit his website www.hand4aleg.com for more information. If you can't donate \$50.00, we don't want you to just sit at home. All we will be asking for a donation of any amount that you can afford. If you would like a flyer regarding this event you can print one directly from our website. For more information, please send us an e-mail at cwdance@localnet.com or contact Rainy Dae at rainydae_5678@yahoo.com
