

# Line Dancing!

## Have Fun with Your Feet!

Dare 2 Dance Productions and Borough of Marysville is pleased to introduce you to line dancing. Starting on Tuesday, February 9<sup>th</sup>, you are invited to join line dancers from the Harrisburg area in learning the basics of line dancing. We will be conducting an introduction to line dance class for an eight week course to be held at the Marysville Moose Lodge. The cost is just \$40.00 per person and will be held February 9<sup>th</sup> – March 30<sup>th</sup>. Pre-registration is required for this special class geared to getting you out on the dance floor. No experience is necessary and two left feet are welcome!

Classes will be held at 6:00 pm and conclude at 7:30. If our class fills up and the response is great, we will be planning a second class to possibly start in the spring. So sign up today.

Line Dancing isn't just country-western any more! It's modern, urban sophistication, swing syncopations, flowing waltz and nightclub rhythms, hip hop and dances with a Latin flavor. We are still dancing in lines — but are enjoying a large variety of music. Line dancing originated in country-western bars, but it isn't just fancy footwork to country-western tunes any more. Line dancing has evolved to offer everyone fun and enjoyment and will keep you coming back for more. Line dancing is enjoyed internationally -- England, for example, boasts one million regular line dancers.

It's fun, great exercise and it will free the dancer in you! No partners needed and is perfect for singles! Fun for all ages! Smoke free! Learn new and traditional line dances in a comfortable, welcoming, fun-filled class! Beginners welcome! Teens and seniors welcome! Two left feet welcome!

Since you dance on your own, line dancing is ideal for singles and for partners of non-dancers. It's also wonderful for people who want a social activity that doesn't involve dating or partnering or going to a bar to enjoy!

Line dancing burns 200 to 375 calories an hour! So, it's great exercise and enjoyed by hundreds of dancers all across the globe.

Come on out and have fun...we'll save a spot on the dance floor just for you!
